G.O.Ms.No.18. Dated 2nd January 1952.

ORDER:

In its reference cited the Board of Revenue (Excise) has reported that of late assaults on the Prohibition staff are on the increase and that occasions demanding the grant of special disability leave have also been correspondingly numerous. As the rules at present stand, a Government servant requiring special disability leave will have to produce a certificate by the Medical Board, except in the cases of non-gazetted staff of the Police Department, in whose case a certificate from Civil Surgeon would be sufficient, if the period of special disability leave does not exceed two months. In view of the numerous cases arising at present requiring special disability leave to Prohibition non-Gazetted subordinates, the present procedure of insisting upon certificates from Medical Boards would mean additional expenditure to Government by way of Travelling Allowance and also lead to dealy in sanctioning leave in such cases.

The Board has therefore recommended that the concession allowed to Police subordinates may be extended to non-Gazetted officers of the Excise and Prohibition Department also. In the circumstances explained by the Board, the Government accept the Board's proposal and direct that the concession allowed to the non-gazetted subordinates of the Police Department in the note under F.R.83(3) be extended to the subordinates of the Excise and Prohibition Department.

2. Necessary amendments to the F.R. will be issued separately in the Finance Department.
